

To: All EMS Agencies in Monroe-Livingston Region

Advisory 08-05

From: Manish N. Shah, MD
Regional Medical Director

Date: August 14, 2008

Re: Medication and Needle Lock-Up

In accordance with NYS DOH Part 800.23 (f) all medications and needles must be secured when not in use. Only authorized persons should have access.

In addition, agencies that have both ALS and BLS technicians are required to have separate locked cabinets for both levels. At no time should BLS technicians have access to ALS gear/medications.

If you have any questions, please contact Sheri Adam at 463-2900 or OPC@urmc.rochester.edu.
