

# BLS Medication Cards

## Assembly Instructions

1. Print the Adobe (.pdf file) document onto standard size page – 3 pages total.

2. Fold the page along the center line to create double sided cards.  
OR  
Cut the page along the center line to create individual cards.

3. Cards can then be laminated or deployed in whatever means is appropriate for your agency.  
(Consider printing cards on card stock or other heavy weight material if the finished product will not be laminated.)
