4. Select 'Yes' to confirm your enrollment.

5. You will then be asked to provide some additional information. All of these fields are able to be edited as long as your account is active, but must be completed at the time of registration. Below are a few suggestions to help you navigate these fields.

- Please initially select 'Licensed Healthcare Providers' when asked about level of certification.
- Please refine your level of certification in the following question to your current level of practice:
 - Physician – Attending
 - Physician – Resident
- The field for 'Hospital Affiliation' should be your primary place of practice, even if you occasionally work at another facility.
- Click 'submit' once all the fields have been answered.

Please note – as a licensed healthcare provider, some of the items in the image below may not be required.

A screenshot of a web form titled "Additional Registration Information" for the University of Rochester Division of Prehospital Medicine. The form is set against a white background with a blue header. It contains several input fields: "Level of Certification*" (dropdown menu), "NYS EMS Region*" (dropdown menu), "NYS EMT Number*" (text input), "Provider's Phone Number:" (text input), "Primary Agency*" (dropdown menu), and six "Additional Agency*" (dropdown menus). At the bottom of the form is a "Submit" button.

6. You may now simply select Enter to complete the process and enter the Cypherworx site.

7. Once you enter the University of Rochester, Division of Prehospital Medicine site, you should see a screen similar to the one below. The assigned course for 'MLREMS Base Station for Physicians' as well as some additional courses available to all site members should be visible. The list will vary based on your level of certification, but everyone should have something assigned to them if you completed the registration correctly.

If you have any questions, please contact us at DPM@urmc.rochester.edu or by calling 463-2900
